

To Whom It May Concern,

I am pleased to inform you that our **Second Annual St. Mary School Walk-a-Thon** is scheduled for Friday, **September 17<sup>th</sup>, 2010**. Our First Annual Walk-a-Thon was a HUGE success. Last year, our students and faculty walked more than 1000 miles and raised over \$41,000. These funds enabled us to contribute to our school's general and endowment funds, provide scholarships to some of our graduates, support our library, and provide our teachers with supplemental funding for classroom needs. The money raised also supported a much needed technology upgrade via the purchase of computers that will be available to our children in the fall.

Our Second Annual Walk-a-Thon will once again be held during school hours with both students and staff participating. We love that the nature of this event not only allows us to support the financial needs of the school, but also encourages physical activity, good nutrition for our children and conveys the benefits of maintaining an overall healthy lifestyle. Last year we also learned how much fun we could have together while also building such a great sense of community. The students and adults alike had such a great time last year, and our dedicated volunteers are working hard to ensure that this year's event will be at least as successful as last year in every sense of the word. Your help is critical towards achieving our goals.

Like last year, we are giving you an opportunity to sponsor this great event. Your sponsorship would help offset the costs of the Walk-a-Thon. Sponsorship levels and subsequent benefits are listed on the accompanying form. If you or anyone you know would like to be an event sponsor, we ask that the form included here please be filled out and sent to the school. If you would like more information about our Walk-a-Thon, ways in which you can contribute toward its success or the benefits to St. Mary School, please feel free to contact me at the phone number listed below.

The St. Mary Mothers' Guild is very excited about the potential this event holds and what it means for the support of St. Mary School, our children, and the community. We are hopeful that you can be a part of it in some way, and we thank you for your support.

Sincerely,

Vicki Goicovich
