

Rules & Regulations

Integrity of the Walk-a-Thon

The Walk-a-Thon route is one-sixth of a mile and will be clearly marked with fencing and boundaries. The laps will be outlined with orange cones and tally lanes will be clearly marked. Everyone must complete a full lap to receive credit on their Running Bib. The lap counting area will be monitored, as will the entire route at all times. Walkers may not be carried around the route. Younger walkers (Kinders and 1st) will have a smaller inner track.

The integrity of the Running Bib must be maintained to ensure a walker receives credit and prizes. Students are responsible for their own Running Bib. Please do not tear, rip, or write on Running Bib. Your name and grade will be on your Running Bib. Return lost Running Bibs to the Registration Booth.

Prizes And Awards

All packets and monies owed are due to the school's office by **9am on September 22nd, 2010**. Any monies not turned in by this time will **NOT** be considered for prized incentives.

To honor the walkers who have made outstanding achievements in fundraising and distance walking, we will have special recognition of their efforts and award them at our **post Walk-a-Thon rally scheduled for October 1st, 2010**. The rally will be from 2:30pm to 3:00pm and prize incentives will be delivered and distributed. We will celebrate the completion of our event, our successes and announce our top prize winners. There may be a voucher given for any prizes that are unavailable for distribution on that day.
