Wednesday, March 28 2pm to 6pm

No late entries will be accepted.

Gilroy Arts Alliance will not be responsible for any art that is not picked up before March 28 at 6pm.

The **2012 Young Artist's Exhibit** is open to all artists at least 5 years old and not over 18 when the work entered was completed. Art must be by individual artists (no group efforts) who live within communities of Gilroy, San Martin or Morgan Hill or are students of art instructors from these areas.

Artist's Entries

Entries must be original works completed within the last 2 years. Kits and computer-generated art are not eligible. **Limit three entries per artist.** Works must be dry, framed and ready-to-hang with eye screws and wire on the back. Works on paper (including photographs) should be under glass or similar covering to protect them from the elements.

Entires will be allowed to put their work up for sale if they would like to, however, we do require the art remain at the center until the final day of the exhibit.

All entrants will receive a participation ribbon. Attendees will also be given the opportunity to vote for their favorites in each age bracket. At the end of the exhibit, the top three in each bracket, determined by People's Choice, will be invited to leave their art as part of the April exhibit.

Gilroy Art Alliance will not be responsible for damage caused to any art that is not protected by glass or similar covering.

Works without proper framing and hanging equipment will not be accepted.

GAA does not want any child to be denied a chance to participate for lack of framing funds. If you know of a child who would like to enter but just can't afford to frame their work, GAA will help them with very simple framing needs if submitted by February 21 and until our limited funds are used up. The earlier you contact us about need, the better your chances of getting aid for the child.

There will be no staff available on site to help you attach wires, so make sure you do it ahead of time. Maximum size is 3ft by 4ft, including the frame.

While great care will be taken by Gilroy Arts Alliance, we will not be responsible should any damage occur due to improper hanging equipment or failure to securely cover works on paper with glass or any other reason.

Gilroy Arts Alliance would like to thank you for participating and encourages you to continue incorporating art into your life as you grow older.
