

Share Care Program

The SHARE CARE Program is designed to help one another in a time of crisis. There is no greater feeling than the one of knowing you have helped someone in a time of need. This program is based on one simple concept—that is, the simple act of kindness. This program helps families with basic needs when simple tasks are too much for them to handle.

Due to number limitations of our volunteer pool, these services are intended for the needs of an *immediate* family to fill that gap. For example, transportation to and from school; or a lunch or dinner would be a great help. Services are usually provided for a week or longer depending on the situation. Meals are delivered anonymously.

We encourage each family to take a moment to fill out the attached form and return it to the school. Let's pray we won't need to call on you; but if there is a need, we will be ready. (We have a few names on our list already from the pink SRO form you filled out last spring. If you're not sure you signed up, please sign up again.)
