Where: St. Mary School

When: Thursdays 3:15- 4:15 / Thurs. March 1st - March 29th

Session 4 of the SMS Tutoring Club will begin on March 1st. The tutoring program focuses on reading, writing, and math skills and is offered to all grades. A portion of the tutoring session will be spent working on homework assignments*. The rest of the time the tutor will address the specific skill area(s) that you (and the classroom teacher) have indicated as the subject(s) in which your child needs additional support.

The cost of the program is \$150.00 for a five-week session at one day per week. All fees must be paid by the due date below.

Students will be tutored by St. Mary staff and will be placed into small groups. Instruction will be developed based on the tutor's initial assessment, and input from both the parents and the child's current teacher(s). If you feel that this program will be beneficial to your child please complete the form below and return it along with your payment to the school office by Monday, February 27th. **NO LATE REGISTRATIONS WILL BE ACCEPTED.**

* As only a portion of the time will be spent on homework, this is not a guarantee that all homework will be completed within the hour. Students are responsible for completing any unfinished homework at home. If you would prefer that your child works only on homework then please indicate that below.
